**Re: Modification of the category of the following sub-fund:**

NAME	SHARE CLASS	ISIN CODE
LYXOR CAC MID 60 (DR) UCITS ETF	Dist	FR0011041334

Dear shareholder,

We hereby inform you that LYXOR INTERNATIONAL ASSET MANAGEMENT, acting in its capacity as the management company (hereafter the “**Management Company**”) of the MULTI UNITS France SICAV fund (MUF) and of the Lyxor CAC MID 60 (DR) UCITS ETF sub-fund (hereafter the “**Fund**”), has decided to make the following modification:

In order to more accurately reflect the composition of the Fund’s Benchmark Index, the Management Company has decided to modify the Fund’s category as shown below:

	Before 12 November 2020 (at close of trading)	After 12 November 2020
CATEGORY	French equities	European Union equities.

The “European Union equities” category means that the Fund must always be at least 60% invested in one or more markets in which equities issued in one or more EU countries are traded, including eurozone markets.

**No other changes will be made to any other of the Fund’s characteristics, and in particular to its reward/risk profile, investment objective, investment strategy, trading codes, fees or charges.**

The Fund’s Prospectus and Key Investor Information Document will be modified accordingly when the aforementioned modification comes into effect.

We remind that it is necessary and important that investors acquaint themselves with the Fund’s Prospectus and Key Investor Information Document (KIID), which are available on Lyxor’s website at [www.lyxoretf.fr](http://www.lyxoretf.fr). These documents are also available on the AMF’s website at [www.amf-france.org](http://www.amf-france.org) and may be provided by the Management Company upon request.
